Rockin' Reunion

FIVE MONTHS AFTER A NEW KIDS on the Block concert featured a surprise appearance by the Backstreet Boys, the bands have announced plans for a NKOTBSB tour. "We got such a great response," Nick Carter tells *Us* of their rabid longtime devotees, who are all grown-up. Adds Donnie Wahlberg, "It's cool to see them bring their kids to our shows and start a new generation of fans again!"

The bands (at their shoot) will kick off a tour next year in Toronto.
